**God's Call on our Life**

*'The Lord had said to Abram, 'Leave your country, your people and your father's household and go to the land I will show you.  
 'I will make you into a great nation and I will bless you;  
 I will make your name great, and you will be a blessing.  
 I will bless those who bless you, and whoever curses you I will curse;  
 and all peoples on earth will be blessed through you.'*

Genesis 12:1-3

Abraham is acknowledged in scripture as a faithful man of God because of his trust in the Lord's promises and the Lord's provision when he was called to leave the known and go to the unknown. What Abraham did took amazing courage; not because he moved locations but because he changed his life. When God called him, he left his former gods and lifestyle to be led by the Lord and establish God's action of blessing. This call to leave the familiar and comfortable and trust that the Lord will provide resembles Jesus promise and call that whoever leaves behind things for the Lord will receive 100 fold and inherit eternal life (Matt 19:29).

Just as Abraham was called to new life in the Lord, we are called to new life in Jesus. We are called to continue the work of Abraham by living lives that show the loving God to the world. We are called to receive the blessing of God and to be a blessing to others. We are called to tell the world that there is abundance in the Lord and he guarantees eternal life. May we be as faithful as Abraham as we follow the call of God in our own lives.

Pastor Greg

## Asaroka Update

*Greetings from family here at Asaroka PNG to you, and the Golden Grove congregation.*  
**Thank you very much for your prayers.**

Asaroka is slowly going back to normal after the SOE have been lifted by the government. Teachers are working really hard for the hours lost due to the Covid 19 lock down. Few things from this end;

1. Head Stone or Monument project for late Rev Tscharke which was prolonged due to Covid 19 is now beginning to progress this week. As soon as its done will remind you for the unveiling.
2. The school management, under the leadership of Mr. Aki Olisagave, made a new deal with Telikom PNG to reconnect the internet access. The computers in the Staff room and few in the computer lab are hooked up and we are enjoying the internet service for the first time beginning this week Monday (15/06/20). The school will pay K1000 every month for unlimited internet service here in the school.
3. Asaroka farm is also resurrected. Rice planting and other food crops are also planted. Eastern Highlands Provincial administration is interested in the vast agricultural potential here at Asaroka Lutheran Secondary School. We continue to pray that they will also invest here.
4. The single classroom beside the dinning hall will be demolished starting next Monday to put up a new four-in-one classroom. It is funded by the Eastern Highlands Provincial Administration. The Correctional Service in Bituhe will be engaged to build the new four-in-one classroom. Praise God for all this things happening here.
5. The new Chaplin is settling well and putting the spiritual program in place now so please continue to pray for him because this is his first time in Chaplaincy duties although he involved in pastoral duties especially in churches.

**Shalom!**

*Pr. Jacob Maso*

## Lutheran Community Care Winter Appeal

Winter has arrived in a world that none of us could have imagined. It seems like yesterday when we were responding to the devastating bushfires. Now local communities are battling to cope with COVID-19. Many have lost their jobs and are struggling to feed their families or keep a roof over their heads.

Lutheran Community Care has been there to support the vulnerable during these unprecedented times. Our essential services have adapted to assist families and individuals, many who have never had to ask for help before.

Due to church building closures, LCC has not sent our Winter Appeal letters to congregations this year. Instead we have created a short two-minute video that we hope you might be able to share with your members or play during a Sunday service in winter. You can find this here: [www.youtube.com/watch?v=vSnnHVjmwI](http://www.youtube.com/watch?v=vSnnHVjmwI)

In this video, LCC's CEO Rohan Feegrade explains why the demand for LCC's services has never been greater and how you can help us open up a brighter future for those who are suffering. We thank you for any support you can give.

For more information about LCC's Winter Appeal or for a copy of our donor letter, visit [www.lccare.org.au/how-you-can-help/donations/](http://www.lccare.org.au/how-you-can-help/donations/)
