Celebration!

Let the heavens rejoice, let the earth be glad; let them say among the nations, “The Lord reigns!”
1 Chronicles 16:31

There are many examples of celebrations in the bible. While we occasionally get an account of a personal celebration – such as the wedding at Cana – the majority of celebrations are festivals recognising God in the midst of his people and private thanksgiving to God. Christians have always understood that it is God who creates faith and community through his Holy Spirit, who gathers and enlightens those called by God to be his people.

Even when Christianity is outlawed and followers of Jesus prohibited from worshipping together, Christians will find a way to gather together. It could be underground house churches or clandestine gatherings in obscure locations in which the faithful congregate. The call of the Holy Spirit is irresistible; Christians must unite to worship.

So it is with a heart full of joy that our community can physically gather once again to praise God, to declare Jesus reigns, to receive in Word and Sacrament and to offer ourselves as a living sacrifice. It is indeed a time of great celebration! Perhaps the long interlude we experienced over the last months has given us a new appreciation of the body of Christ gathered as church. We know that our Lord brings blessing from hardship and acknowledge that the livestream worship blessed many, and will continue to do so. May our hearts be warmed as we join together, physically, to serve and be served in worship.

Asaroka Lutheran Secondary School Grows Rice

We just got a call from Asaroka Lutheran Secondary School Principal in Eastern Highlands, Mr Aki Olisagave, reporting that his school was now growing rice to supplement the mess food. The school wants technical assistance to grow more rice. There is plentiful land in the great Asaro Valley of Eastern Highlands to grow rice. Mr Olisagave is pictured with Board Chairman, Mr Opis Monuno, showing Goroka media personnel the school's rice farm this morning.
