Amazing Grace

There were only 10 commandments written by God on tablets of stone and given to Moses. Instruction on how to apply them took the whole book of Leviticus. By the time of Jesus, the Jews had amassed 613 commandments to control the lives of the people. When asked what were the greatest commandments Jesus had quite a lot to choose from! Yet His answer was simple, to the point and all encompassing.

“Love the Lord your God with all your heart, (your passion) with all your mind, (your every thought) with all your strength, (your energy) and love your neighbour as yourself.”

Jesus said in essence, ‘Throw out the rule book, follow with your heart! Keep only these two and you will have done everything right!’

If we could follow them we would indeed be right! One law cannot exist without the other simply because we cannot separate the made from the Maker. God aligns Himself with His people. In John 8 v 31-36 Jesus tells us that whatever is done to the least of people is done to Him, visiting the prisoners, feeding the hungry, helping the poor, housing the homeless etc. are all gifts given too others that He receives. We cannot separate how we treat others from how we treat God.

It is impossible to obey these commandments by ourselves. But Jesus did for us. Whenever we sin we do that in our own strength but thanks be to God we have His strength and encouragement to choose the right. There is always forgiveness in repentance and faith. Grace abounds and we fulfil the law of love through Him.

Dear Lord, I want to live following these guidelines but find I don't. Thank You that in Christ I do. Help me each day to keep on attempting in Your strength that others may benefit from the kindness of Christ in me. Amen.
