**God's Amazing Love**

*For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.*  
John 3:16

This bible verse is probably the best know of all. It shouldn't surprise us because it is a beautiful summary of the good news that comes from the unimaginable love of God. The love of God is a shown in his powerful acts to continually rescue us from the effects of sin. We know that rebellion against God results in chaos and breakdown. What we see in Jesus is a God who is driven to reverse these effects through his own love.

Undeserved and unearned love is the very nature of our God and can be summed up in his grace toward us. Grace is amazing and shocking. When we begin to fathom the depths of God's love and his grace we are delighted but we are also troubled. When

we accept that Jesus too upon himself the consequences of our own sin we are left astounded and humble. Grateful doesn't seem a significant enough term; we owe everything to Jesus.

Many years ago Philip Yancey wrote a book called 'what's so amazing about grace?' and it went some way in helping me, and many others, understand the enormity of God's grace. One of the quotes that shaped many sermons and songs was 'there is nothing I can do to make God love me more, or less'. We are loved simply because we are his treasured creation and his grace is consistent. May we treasure his grace as he treasures us.
