GOLDEN GROVE LUTHERAN CHURCH

23rd May 2021—Pentecost Sunday

Please join us this Sunday at our Picnic & Prayers in the Park
Harry Bowery Reserve, Riversdale Drive, Salisbury Park 9am to 1pm

When the day of Pentecost came, they were all together in one place. Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them. Acts 2:1-4

There is something magical about gazing into an open fire. Whether it's a bonfire or a wood-burning heater, the flames' dance can be mesmerising. Fire has been a symbol of God's presence throughout the bible. When Moses encountered God it was in the burning bush and when he was leading Israel out of Egypt, God's presence was in the form of a column of fire. Fire is powerful and warming, useful and dangerous.

At Pentecost we see God coming to his followers personally and intimately, yet still with the power and energy that was known to accompany a revelation. Now God's Spirit rests on all who believe in Jesus and the effects are amazing. Not only do the disciples speak in unknown languages, they have a newfound courage that comes from a personal encounter with God. From now on, they do not have to depend on their own abilities, rather they count on the gifts that are given freely by the Holy Spirit.

As we live out our calling as his followers, we too have the Holy Spirit to empower and guide us. He gives us strength and gifts that would be otherwise unattainable. We celebrate the blessings we receive by the hand of God the Holy Spirit. Pastor Greg
