Let's Celebrate Salt Factory!

'You are the salt of the Earth'

Matthew 5:13

Right after Jesus preaches the beatitudes in the sermon on the mount, he tells those who want to follow him that they will be salt and light. Disciples of Jesus will make a difference to the world around them just as salt and light impacts their world. Salt was a valuable commodity in the first century and had multiple uses, most notably to stop food spoiling and adding flavour. All disciples are called to be ambassadors of Christ, living the good news, bringing life where there is decay and hope where there is none.

For 21 years, Salt Factory has had as its mission to make disciples that are salt of the Earth. Salt Factory has been a place of innovation, obedience to God's call and optimism that has encouraged and spiritually fed countless people. There has always been a sense of freedom for Salt Factory worship and an expectation that God will do new things. Over the years things have changed as new leaders are raised up and empowered to move along with the Spirit of God. No matter who was leading, God used Salt Factory to challenge and grow worshippers, equipping them for their role as salt in the world.

As we gather to celebrate 21 years of Salt Factory, we celebrate God's faithfulness to us. To Him be the glory.
