

GOLDEN GROVE LUTHERAN CHURCH

Life in the Vine

THE MAGAZINE OF GOLDEN GROVE LUTHERAN CHURCH

DECEMBER 2021 | VOLUME 27, ISSUE 3

Golden Grove Community Fete - pg. 10

WELCOME TO THE LATEST EDITION OF LIFE IN THE VINE.

*Praise the Lord.
Praise God in his sanctuary;
praise him in his mighty heavens.
Praise him for his acts of power;
praise him for his surpassing greatness.*
Psalm 150:1,2

Do you wonder where the year has gone? Has the last half of this year seemed busier than normal and now Christmas has snuck up on you? It is easily understandable that we can find ourselves tired and weary and finding time to complete some tasks is overwhelming and challenging (even completing this edition!). But we should remember and look back at what we have achieved this year as an uplifting and positive experience filled with great success and many rewards. Praise the Lord!

This 'Life in the Vine' focuses on praising God for His 'acts of power' and 'surpassing greatness' in all our activities at Golden Grove Lutheran. We praise God for his blessings in our Church community, School community and other groups like GGAF & Youth. We also praise God for the success in events like Community Fete, Salt Factory birthday celebrations and Trivia Night. Finally we praise God for all who planned and helped in making these events so successful and everyone who participated. We have so much to praise the Lord for!

So as we enter the busy time of Christmas and the New Year period, remember to praise God continually for all the blessings we have experienced in 2021 and as we soon enter 2022.

May God bless you this Christmas and into the new Year!!

“... the Psalmist encourages all to see that praise is as natural as breath.”

Praising God

Let everything that has breath praise the Lord. Psalm 150:6

In the bible we see how breath is linked to God’s gift of life. In the creation narrative, God breathes the breath of life into Adam and he becomes a living being (Gen 2:7) and many other passages make this connection. In Psalm 150 the writer implores all creation, those who have received life because of God’s will and action, to praise God for his gift. More than that, the Psalmist encourages all to see that praise is as natural as breath.

We often see praise as something we only do in a formal worship setting. As we gather with other believers, we all sing the same words and we are joined by God’s Holy Spirit who unifies us with each other and with heavenly worship. It is a beautiful spiritual event that changes our hearts and opens us to his word. Recently when we were unable to gather together to worship we hungered to be reunited and experience the miracle of worship through praise. While there is no doubt some challenges arose during our COVID-induced lockdowns, they also allowed us to appreciate the blessing we receive as we praise.

God the Father encourages us to praise him not just in church but in other times and places as well. Our homes are a natural place for worship and yet we often don't even mention God in our time with family at home. Many Christians say that they find it hard to praise when someone is not leading and they have to 'do it themselves'. Perhaps as church we have not modelled what personal and family worship looks like and that has hindered our inclination to praise God anywhere. It's good for us all to see how we can bring worship into our everyday lives.

As a community we have witnessed God at work powerfully in our recent events. Our fete, the 21st celebration of Salt Factory, and the Quiz Night are things for which we give praise. Our regular ministries and outreach are things for which we give praise. Our faith and our life are things for which we give praise. As we witness God's breath of life shaping and leading our community, we join with the Psalmist and all things which have breath to praise Father, Son and Holy Spirit.

“Our regular ministries and outreach are things for which we give praise.”

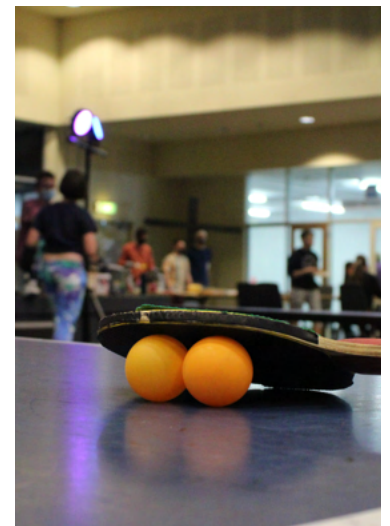

HIGHLIGHTS FROM CHURCH COUNCIL

BY JON SCHUTZ
GGLC CHAIRPERSON

Back in the days of yore, when knights roamed the countryside, there was a tradition inherited from the Ancient Greeks and Romans to view life in 7-year phases. At the age of seven, a boy would qualify to become a page (a nobleman's assistant), at 14 a squire (a knight's attendant), and then at 21 the squire was eligible to become a knight — which is why to this day we still hold the 21st birthday as a significant celebration (according to the Internet).

The squire had to master what we now see as Olympic sports — riding, swimming, shooting, wrestling, fencing, long jump — and dancing — apparently while wearing armour, which presumably led to a fairly low success rate, particularly on the swimming leg. Fortunately there was not a lot of riding, swimming, shooting, wrestling, fencing, long jump or dancing at the Salt Factory 21st celebration and consequently it was quite a success. As was the Trivia Night just one week later, where there were unfortunately no questions about knights and 21st birthdays. But I was prepared — perhaps next time.

And indeed there should be a next time. The Trivia Night well fits the bill of intergenerational activities that we wish to foster at GGLC. Our worship communities at GGLC tend to have little overlap — we offer two worship opportunities at different times and with different styles, and for the most part, people make the same choice each week — which is entirely reasonable but leads to little interaction between the communities. So it is good that we can have these other events - like the Trivia Night, our Salt Factory 21st celebration and 30th anniversary a few years ago, the Fete, the Pong, our Christian Education days, Worship-in-the-Park, AGM/HYM business meetings, craft days, community barbecues and even working bees where we can come together as an integrated community.

**“So it is good
that we can have
these other
events...”**

Soon after this edition of LITV hits the printers, it will be time for our Half-Yearly Meeting. This will be an historic meeting, being the first time to not be held in conjunction with the GGLPS Annual Election Meeting due to the constitutional updates that were passed at the recent AGM. Whilst this year's budget is reasonably on track, the Finance Team has prepared the 2022 budget and it presents some challenges. As I have mentioned before, income from Café Connect and the Fete are an increasingly important element of our annual budget, so thank you to all the volunteers who have supported and continue to support our fundraising efforts. The Fete has been well-covered elsewhere in this edition, but I will just say once more a thank you to all in our community who worked so hard to make it an outstandingly successful day.

I am sure that when you read “budget” and “fete” in the same sentence you will immediately think of Lesley who has been our Treasurer since 2018 and led the fete team since the first event in 2019. Lesley will be stepping down from the Treasurer role at the end of this year, and on behalf of the congregation I would like to thank her for her diligent bookkeeping and many a late night on the spreadsheets. I am pleased to share with you all that Lesley will be continuing as Fete Director and that, given how the fete now sits as a central component of our budget and our mission to the community, the Fete Director will also be an ex-officio position on Church Council.

We hope to shortly make an announcement about the appointment of a Children and Family Ministry Leader starting next year. Lisa, who has kindly filled the gap for us since Natasha stepped down for health reasons earlier this year, will be finishing her role in December — a big thanks to Lisa for helping out during this period.

Have you had the jab? Pastor John Henderson, before his recent retirement as Bishop of the LCA NZ, wrote [A Pastoral Note on Vaccines and Passports¹](#) to address issues ranging from the ethics of vaccines to the fairness of requiring immunisations in certain settings. In short, members of the LCA are encouraged to take advantage of the vaccines on offer and to trust that our governments are acting according to God's will for them to be a good agent for the ordering of society, putting in place rules to protect us.

Whilst we as a congregation are not impacted directly by any vaccine mandates for either staff, volunteers or worshippers at this stage, we are working hand in hand with a primary school that is (from the end of this term) — and in turn that will impact our staff who work with the school in various ways. Also, staff and volunteers who visit aged care facilities in SA are required to have had the double-dose. We are still in the early days of living with COVID-19 in SA in a largely vaccinated population, and as we head toward the end of a school year, a Christmas season where travel is again permitted, and then into the new year of holidays and back to school, a lot could change. Indeed, we should be prepared for some degree of vaccination requirements for church — let's hope that worship always remains free to all, but conceivably staff and volunteers or those working with children or older people could come under a mandate. In Victoria, worship is affected by different requirements on gatherings for vaccinated and unvaccinated/unscreened. So please be prepared!

NEWS FROM GGLPS

BY WILL WALLACE
PRINCIPAL

We have enjoyed an excellent year at Golden Grove Lutheran Primary School with highlights including the broad range of engagement the children have had with their learning, excursion, camps, Christian Studies lessons and Camps, as well as a range of additional opportunities offered to the students with Children's University, Tech Girls in STEM, Wakakirri, a range of academic competitions, Virtual Debating and Public Speaking. It has been a joy to see the school and church continuing to partner together in the Community Fete, support of Asaroka and in shared mission and ministry generally, and for us to maintain our distinctive links with Eisugakkan School in Japan. The feedback from our whole school survey and a range of other evaluative data this year has been pleasing, showing that positive academic, wellbeing and spiritual outcomes for the children, a strong sense of community and a commitment to excellence. The expansion of our wellbeing program with the introduction of a school counsellor and developing a dedicated wellbeing hub to offer integrated support to students and families this year has been a highlight. We also value these tools to identify areas for continued growth and look forward to the school continuing to flourish next year.

“It has been a joy to see the school and church continuing to partner together...”

We are thankful to our parent community, church community, School Board and our P & F Association for their consistent support in offering our students the best education, resources and opportunities that we can provide, as well as to our community, as we have great organisations like the 7th Battalion, Royal Australian Regiment and Tea Tree Gully RSL who have partnered with our school for Anzac Day commemorations. We have also enjoyed the strong working relationships that we have with our local members of State and Federal Parliament - Blair Boyer and Tony Zappia, as well as with Tea Tree Gully Council and with Graeme Fenton and Wynn Vale School.

We give thanks for the blessing of a wonderful staff team who consistently works with a shared faith commitment for the best outcomes possible for each of the children entrusted to our care. The year has proven to have had its surprises with COVID lockdowns, however we have worked with these times with a positive outlook which is a tribute to the great people that we're blessed to have here at Golden Grove. Our teachers, LSO's and Administration and Maintenance team alike have done a fantastic job and we owe our heartfelt appreciation to them.

We welcome Mrs Melissa Bishop back to our school next year as our Teacher of Japanese and Mrs Naomi Ali as our Music Teacher. It is exciting to see our curricular offering expand to include PE, Visual Art, Music and Japanese in 2022. We also welcome Ashley Jeon who will continue with us to teach Foundation whilst Mrs Alyssum Jenkins (nee Williams) takes a year of leave. Mr Luke Napier will also take a year of leave next year and Mrs Melissa Emmett will join us over that time. We also appreciate the contribution that Mrs Natalie Clark has made to our school over the past two terms, taking Year 5/6 while Mr Napier was on leave.

Children's University Graduation - Bonython Hall at University of Adelaide

We give thanks for the efforts of Genevieve Freund who has served on our School Board since 2010, and since 2013 as Chair. Over this time Genevieve has overseen a range of positive initiatives for the school, including our candidacy and approval as an IB PYP School, the transition of Year 7 students to Endeavour College, and the updating of our constitution and governance structures, as well as the continuation of our Building Master Plan. The school is in a healthy strategic and financial position for the next stages of its growth and development, and we are appreciative of Genevieve's role in all of these things. We all sincerely appreciate the energy, professionalism and absolute dedication that Genevieve has given to her manifold contributions to both our School Board and the LESNW Board. Her complete commitment will be remembered as the hallmark of this chapter of her service to this place and to God.

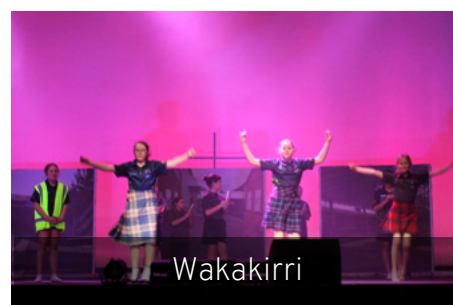

We also farewell Ruth Zimmermann who has served on our School Board for some year, and prior to that was our Deputy Principal, Year 1 teacher and Teacher-Librarian, as well as having been seconded to the then LSA as Christian Studies Facilitator and also serving as a lecturer at ALC. We are thankful for Ruth's sustained contribution to our school and church communities and to Lutheran Education.

Thank you Genevieve and Ruth as our whole community gives our love and best wishes to you and your family for new experiences, the future, and continued service of the Lord Jesus Christ.

It has been another successful year at Golden Grove Lutheran Primary School and we are thankful for the manner in which the children have been interested and engaged throughout the year with so many opportunities for learning, growing and celebrating all that we have achieved this year as well as the wonderful message of salvation that we have in celebrating the birth of Jesus this Christmas, which reminds us of God's love for us:

In this the love of God was made manifest among us, that God sent his only Son into the world, so that we might live through him.

1 John 4: 9.

“It has been another successful year at Golden Grove Lutheran Primary School...”

CAFE CONNECT
A VOLUNTEERS PERSPECTIVE

BY BARRY & TRUDY

CAFE CONNECT NEEDS YOU!

WOULD YOU LIKE TO HELP IN OUR CAFE?

**JOIN OUR TEAM TODAY &
 BECOME A VOLUNTEER!**

**WE ARE FLEXIBLE:
 MORNING SHIFTS.
 AFTERNOON SHIFTS.
 WEEKLY.
 FORTNIGHTLY.
 CASUAL.**

TRAINING PROVIDED.

**OPEN MONDAY TO FRIDAY (TERM DAYS)
 8AM TO 11AM
 2.30PM TO 4PM**

**YOUR TIME, EFFORT, AND PRESENCE AS A VOLUNTEER
 WILL MAKE A WORLD OF A DIFFERENCE THROUGHOUT
 THE GOLDEN GROVE LUTHERAN COMMUNITY.**

For the past twelve months we have been volunteers at Café Connect. Although we are not members of Golden Grove Lutheran Church, we have felt invited and very welcomed.

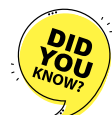

We are both retired, and volunteering in the café has given us a sense of self worth and purpose, which is and has been good for our mental health as we navigate this new chapter in our lives.

As a volunteer, we have met many new people, formed great relationships, learned new skills, worked individually and in teams. It has been a great opportunity to be able to be a part of this community with the possibility to give back in an enjoyable and rewarding atmosphere.

If you feel God is calling you to also volunteer in the café, many opportunities are available - morning shifts, afternoon shifts, daily, weekly fortnightly, casual and flexible arrangements are available. Training provided.

Please feel free to inquire in the café or see Robert in the Church Office or Pastor Greg.

**OVER 1100 NOVELTY BISCUITS
 HAVE BEEN SOLD IN 2021
 (ALL MADE BY VOLUNTEERS)**

GOLDEN GROVE LUTHERAN COMMUNITY FETE

BY LESLEY FRIEDRICH
FETE DIRECTOR

Praise God for a wonderful day at our recent fete!

Praise God for the beautiful weather! Huge numbers of families enjoyed the free entry event. Attendance was counted at 2600, staying within COVID limits of 1000 on site at a time. The site looked fabulous and our facilities worked like a dream. Hospitality was served up in spades! Praise God for the generosity of all those on the organising committee and all volunteers who pulled together a successful event.

Praise God for the people who ran 56 market stalls selling a multitude of goods, 11 food stalls, 23 attractions (12 external and 11 GGLC) and 4 local clubs promoting their activities. GGLC ran stalls selling cakes and produce, handmade crafts, olive products, raffle tickets, and a range of lunch options, as well as running the ticketing for the pony rides and face painters. The cake stall was a huge hit and predictably, all baked goods were cleared. These plus the Cafe and Devonshire tea were busy all day and we extend a huge vote of thanks to the volunteers on all of the stalls.

John Fielke's "Olives No more" brand had great exposure and olive lovers in the North East walked away very happy with baskets full of them! Thank you John for your support, with olive sales benefitting the church.

We praise God for the many people who volunteered diligently and cheerfully and helped us bless the community. There were a number of primary and high school aged children who helped with setting up the site, preparing food, serving customers and packing up. We thank these children immensely for their serving hearts in action.

GGLPS ran a hospitality tent and the courtyard food stall, the school choir sang, there was a student artwork display, the Parents and Friends Association covered the costs of the bouncy castles, and BBQ Trailer Hire SA (a school family business) loaned us the BBQ trailer. There were several terrific examples of kid entrepreneurship at the fete. Sophia Chinca, GGLPS year 6 (and family) ran a traditional lemonade stand on the oval (see Sophia’s article next page) and we encourage other school families to give some consideration to getting the kids involved in the future. Thank you to all from GGLPS for your support - to Will and the staff, students and P&F.

The public address system was beautifully set up this year, with crystal clear sound. We certainly praised God “with the strings” (Ps 150:4) and songs through our worship service, Salt Factory band and school choir. The announcements and music sounded clearer than ever. We praise God for the recent investments in the sound equipment and to the sound-guys who put their skills to work.

We are gaining valuable experience in running this event and implementing improvements every year. This year we introduced a ticketing system for face painting/henna body art and pony rides—patrons could buy a ticket with a time slot on it to save queuing—and this was widely welcomed. Face painting/body art tickets still sold out even though we increased the time from two hours (last year) to a total of 12 hours! The indication is that we need to keep increasing the number of attractions and food options at the fete to cater for the ever increasing crowds. Praise God for a problem such as this!

Free entry, free or low-cost activities all round and a smorgasbord of raffle prizes were all made possible through the support of sponsors—major sponsors were Paradise Mazda, Stratco and Inspiring Strength in Women—and donors including the P&F and many individuals in our community. A Community Grant from the Tea Tree Gully Council was also an enormous help. Thank you!!

We praise God for such a successful day!

As we finish up this year's fete and commence planning for the next one, we are keen to hear your thoughts. If you have any feedback or suggestions, please complete the survey at -

bit.ly/2021fetesurvey

Young Entrepreneur Perspective

As soon as I heard that I had the opportunity to run a stall at the community fete, I got really excited! We had just finished our year 5/6 business unit and I was interested in having a stall. I came up with the idea to have a lemonade stall because every year my Dad makes homemade lemon cordial for summer from the lemons off our tree. Everyone chipped in and helped make the cordial. We thought about what else we would need and bought cups, straws, ice and mineral water. I bought some fabric and made some bunting and a tablecloth and we borrowed a marquee from our friends.

The day of the fete was beautiful weather and turned out to be really busy. We were on the oval and had people arriving to buy drinks as soon as we were set up. We completely sold out of all the cordial we made and that was a really good feeling. We had a lot of people come along and support us on the day and lend a hand, and my sister Emily and my Mum and Dad helped with running the stall.

It was a really fun and exciting experience and I feel very fortunate to have had the chance to have a stall at the fete. I think if anyone wants to promote something that they do, selling at the fete is a fun and amazing way to do that.

*Sophia Chinca
aka Lemonade Girl.*

 Voice Mail Review
Left After Fete

"I just wanted to say a big congratulations to you and all of the team because you did such a brilliant job on the weekend. The organization was just out of this world - I have done a lot of stands in my time and you guys just did just brilliant. The people were amazing (as was) everything. I just wanted to let you know that next year I'll end up having two (stalls) – one outside as well as inside. You should be proud of yourselves!"

CHEERS TO
TWENTY-ONE
YEARS!

SALT FACTORY IS 21!

7th November 2021

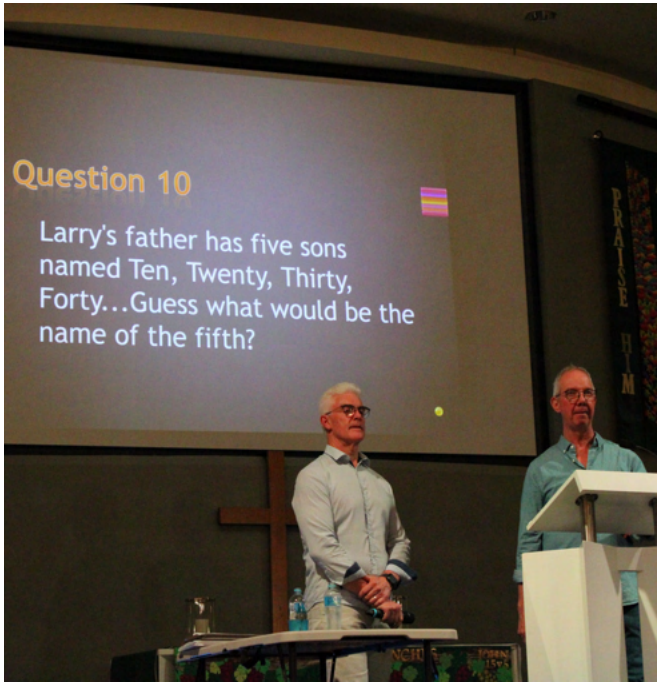

21
SALT FACTORY
YEARS

SALT FACTORY
21ST BIRTHDAY
CELEBRATIONS

TRIVIA NIGHT

On Saturday 17th November, 16 teams (over 110 individuals) came to battle it out over eight rounds of questions. The night was filled with laughs, fun and disputes. One question highly "booed" was 'What was the name of our Prime Minister in 1984?' The answer was 'Scott Morrison - his name hasn't changed'.... Apart from trick questions, it was a great night had by all. In the end "Teddy's Tribe" team won the night. All proceeds from the night went towards our Asaroka PNG Mission. A special thanks to our Quiz Masters, Grant & Russel! Make sure you keep an eye out in 2022 to come along and get competitive.

WEDNESDAY & FRIDAY PLAYGROUPS

During the last six months, Lisa Pena has been leading our Wednesday Playgroup and Friday Mainly Music. Over this time, Lisa has introduced variety in her programs including dance, music and craft whilst dealing with the ever changing restrictions. Well done Lisa and thankyou - we will certainly miss your workout sessions! 😊

YOUTH REPORT

BY JOEL SCHILLER
YOUTH COORDINATOR

Junior Youth Event - Wheels Night

Youth Event - Where's Wally?

Youth Bible Study

Thanks Kendall!

We are approaching the end of 2021 and what a year it has been on the youth front. By the end of this year, we would have had 30 youth events, 9 Junior Youth events, 1 combined event and a fundraiser.

I want to say a massive thankyou to each person that has made the events and discipleship time possible. To our amazing youth leaders, you have dedicated a large portion of your time to the ministry. To each of our Get Real testimony guests Holly Schutz, Connie Fowler, Ian Zimmerman, and Dave Shrowder. Thanks to Jacquie Schutz for being the first aider at the two Junior Youth Wheels Nights this year. A special thank you to Kendall Kahl who has assisted me in planning and running the Junior Youth events this year, as part of her Vetamorphus ministry placement.

In the last few weeks of this term, we have welcomed the year 6 students to come along and experience what the older youth is like, likewise on graduation night as a youth group and church we provide a small gift to those graduating as a parting gift.

In January we have the SPIN (a camp for year 4-6 students) which Noah Hahn is co-directing and many of our leaders will be attending (If you child falls into this age bracket sign them up!), and we will have a leaders retreat to prepare for the 2022 youth year.

On February 11th 2022 we have our annual Opening BBQ and Games (combined junior youth and youth event, be sure to put this date in your diaries.

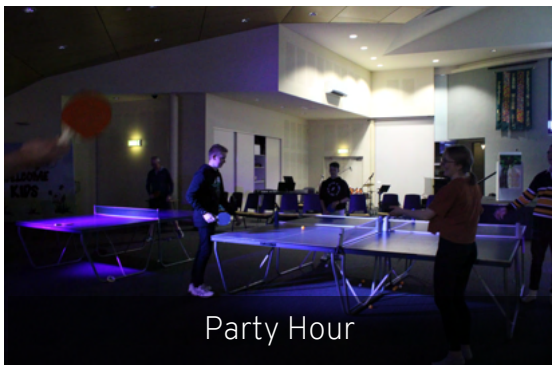

PING PONG-A-THON

BY JOEL SCHILLER

School Students Loving Pong

Party Hour

The Morning Recruits

We fought for freedom!

On September 17 and 18 as a Golden Grove Lutheran Community we fought for justice!

The school students kicked us off with great momentum, some having practiced for this big event. Then it was open to everyone. Party hour was a highlight, the tunes were cranking. Amelia Mills had invited friends to have her birthday party at the event, Pastor's office became a party room. Our young adults carried us through the night like true champions and those who arrived in the morning brought much needed energy.

Together as a community we raised \$10,337, which is a phenomenal effort! This has contributed to the Pong Community raising over to \$360,000 this year. You can still donate today by heading to their website www.pingpongathon.com.

Thanks to those who prepared food and beverages for everyone including Robert and Liz Mills, Luke Wachtel, Jenny Rawolle and Dee Flynn.

The pong movement continues all year round, so if you want to check out the impact testimonies of what other pong communities are doing just head to their facebook page @PingPongAThon or search for their website.

“... we raised \$10,337, which is a phenomenal effort!”

TIGHT LINES

GOLDEN GROVE AMATEUR FISHING

Mission Statement: Giving all people opportunities to fish in a Christ centred environment

For All Enquiries Contact Graeme Hoklas: 0419 828 091 or hoklasgr@gmail.com

ONKAPARINGA RIVER – 8th August

26 members met at Old Noarlunga Market Square in perfect weather to tackle bream fishing in the river. 6 nice sized bream were landed. Keith Hasler (who caught 2) won the day with a .99kg bream.

Lou Goegan At Morgan

Keith Hasler - Onkaparinga River

MORGAN – MURRAY RIVER – 18th September

Pleasant weather welcomed 27 fishers in the morning followed by a slight shower late afternoon. Carp catches were down on expectation with 15, weighing in with a total of 8.5kg. Peter Van Loggem organised a sausage sizzle for lunch with use of the School BBQ trailer. Morgan has many historic sites, a ferry and local cafes for coffee etc. Senior winner was Lou Goegan with a 48cm Carp. Runners up were Meredith Glaetzer and David Ware. Tea at the Commercial Hotel attracted 20 GGAF members.

COMMUNITY FETE – 17th October

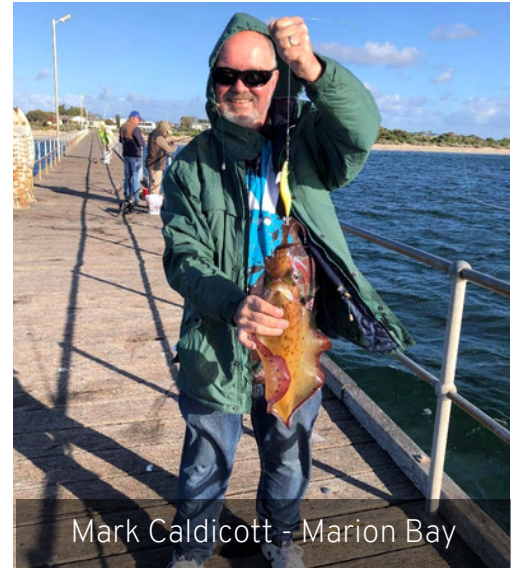

GGAF participated at the annual Community Fete held on the grounds of GGLC and GGLPS with a stall. The crowd estimate was over 2500 people and GGAF fielded many enquiries. Many thanks to those members who manned the stall. The Club's new Teardrop Banner was displayed for the first time.

MARION BAY CAMP – 22 to 24 October

The annual camp at the Marion Bay Caravan Park was attended by 40 people. The Park was excellent with great facilities including a Camp Kitchen and well set up Fish Cleaning Area (best many have ever experienced). Keen fishers endured a windy and cold weekend. Whilst the beach fishing did not produce a fish the Marion Bay and Stenhouse Bay jetties were productive with catches totaling 57 – total weight 8.87 kg. The main species caught were Squid, Tommy Ruffs and Garfish together with a mixture of Leatherjacket, Weedy Whiting and Rock Cod. Saturday winners were Mark Caldicott with largest Squid - .95 kg and Graeme Hoklas with heaviest fish – a Leatherjacket. Chris Simanis successfully landed 13 well above average size Garfish.

All enjoyed the Saturday night BBQ thanks to “caterers” Christine McCulloch and Peter Van Loggem and those who assisted with the preparation. The short Sunday morning fishing session was quiet. Keith Scott landed the only catch, being a .35kg Squid.

Mark Caldicott - Marion Bay

Shirley Hasler At Pt Noarlunga Jetty

PORT NOARLUNGA JETTY – 6th November

GGAF revisited Port Noarlunga Jetty (last event was in 2015). 17 fishers braved what was forecast to be a windy and wet day however the weather was kind with only a brief shower midafternoon. 13 legal Salmon Trout and 1 Leatherjacket were caught together with many undersize fish including Trevally. Joint winners were Shirley Hasler and Chris Simanis both with fish weighing .16kg.

PRESENTATION NIGHT – 20th November

40 members and friends attended the annual Presentation Night held in the Worship Centre. For the 20th time Zimmo MC'd an informative and fun filled program including powerpoint presentations of each event, numerous door prizes and fishing quizzes. Prizes were presented to Senior & Junior competition winners of each event and President Graeme Hoklas thanked the 2021 Committee for their dedication in planning and attending events. Members totaled 63 including 9 juniors. Steve & Lyn Castle from Spot On Fishing Tackle Shop were sincerely thanked for their ongoing support and sponsorship during the year. Special acknowledgement this year was awarded to John McCulloch for his dedication and loyalty as a member of GGAF. The 2021 Senior Champion was Graeme Hoklas and Briannah Woodley was awarded a prize for attending most events as a Junior.

Senior Champion Graeme Hoklas Receives Trophy From Zimmo At Presentation Night

Knowing Christ and Making Him Known

“I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing.” John 15:5
