This morning we bless the opening of Café Connect and join in celebration through the community fete!

Celebrations!!

God loves celebrations. There were many commands to His people to attend gatherings to celebrate. They were anniversary times to remember the goodness of the Lord, His faithfulness, His grace and mercy and to align themselves anew to His word and will. They involved formal religious festivities, along with much feasting and celebration. They were also specific teaching opportunities so that all generations learnt to trust the faithfulness of God.

We now have more than 30 years of first hand witness to God’s faithfulness and goodness to this Congregation. So today with much celebration we stand before Him together to thank Him for His wonderful provision and faithfulness in this latest undertaking of cafe, offices, toilets etc to improve our site and mission opportunities. We acknowledge that all we have as a Congregation is because of and through His blessing.

And so with the Psalmist we declare: “The Lord is God, and he has made his light shine on us. With boughs in hand, join in the festal procession up to the horns of the altar. You are my God, and I will praise you; you are my God, and I will exalt you. Give thanks to the Lord, for he is good; his love endures forever.” (Psalm 118:27-29)

Lord, as You have blessed us, may we be a blessing in our community that many others will learn of Your personal love and faithfulness for them. Amen.

Margey Knapp
