The True Vine

Jesus of Nazareth made the claim "I am the true vine". This implies that there are also untrue vines. There are counterfeit vines, vines which either do not produce fruit or produce fruit which is no good.

Abiding, remaining, being attached to Jesus is to bear the fruit of love, justice, peace, joy etc. We know from our own experience that we can become attached to many different desires, sets of priorities and values which do not bring us good, but harm. Our daily diet of news is full of stories and events which flow from people who are attached to vines alien to Jesus.

It also seems that in today's world, it has become increasingly unpopular to be attached to Jesus. We see this more and more in many parts of the Western world.

Today's gospel reading, being heard in Christian Services around the world, brings us the good news that Jesus is the true vine and also challenges us to BE the fruit bearing disciples bringing love to life in our homes and communities.

Jesus is the True Vine
