#### **Before worship**

Quotes from Luther's Small Catechism:

What is baptism?

Baptism is not simply plain water. Instead, it is water used according to God's command and connected with God's word.

How can water do such great things?

Clearly the water does not do it, but the word of God, which is with and alongside the water, and faith, which trusts this word of God in the water. For without the word of God the water is plain water and not a baptism, but with the word of God it is a baptism, that is, a grace-filled water of life and a "bath of the new birth in the Holy Spirit," as St. Paul says to Titus in chapter 3, "through the water of rebirth and renewal by the Holy Spirit. This Spirit he poured out on us richly through Jesus Christ our Saviour, so that, having been justified by his grace, we might become heirs according to the hope of eternal life. The saying is sure."

We also remind you of the opportunity of giving electronically via the REG (Regular Electronic Giving) system. Forms and information about this method of giving are available from the Church Foyer. For members who already use the REG system for giving please consider using a specially printed card (available from the Church Foyer) to place in the offering plate rather than taking a set of envelopes.
