7th February 2016—Transfiguration

 through the Word of God.

A special welcome to Pastor Greg & Connie and family & friends, Bishop David Altus, invited guests and members of the community joining in the celebration of Pastor Greg's installation today. Thank you

 Please feel welcome to join one another. ALL WELCOME**

Before worship

"No man is an island." We know that in theory but we do not always live it out.

The 'Body of Christ' theme has been strongly emphasised through the Epiphany Season and it is good to be reminded that we are each a part of a body, the body that lasts through eternity, the body of God's own Son.

It is also good to be in the local part of this body at GGLC where we can be encouraged off our islands of independence and out of our caves of isolation to meet Christ in each other and find our value in Him and the purpose He has for each of us.

How great that God has given us a day to celebrate new additions to this body with Connie and Greg as new members but also with Greg as our new Pastor, in our walk with Christ in the world.

Thank you Pastor Greg for your willingness to share our journey and to lead our corporate growth and mission. May God bless you every single day with the riches of His strength and wisdom.

And so we pray - We thank and praise You Father God for Your goodness to us and to the church worldwide, for faithful people and willing Pastor servants. May there be good fruit produced in this new partnership and much praise and glory for Your Name as we work together in love. In Jesus' Name we pray, Amen
