Before worship

Receiving what has been promised?

Have you been watching the Olympic Games? It's easy to become caught up in the excitement of the different sports, and for a few weeks we become experts in judging sports we may never have even watched before (well, not since the last Olympics...).

Think about the life of many athletes – training for many hours, every day, in anticipation of becoming the best in the world. But then so does each other competitor in their sport. Winning Olympic gold can be a life ambition for many, and everything they do revolves around this single opportunity. However for each event there can only be one gold medalist – and the disappointment is clearly visible – even when they are awarded silver or bronze. Then there are those who 'fall down' along the way, during their event: landing awkwardly and snapping the bones in your leg, being pushed sideways by a cross wind and your craft moves into another lane, forgetting your routine and making the wrong movements...

Life as a Christian is often compared to a race – 'running with perseverance the race marked out for us'; however the writer of Hebrews encourages us to 'throw off everything that hinders and the sin that so easily entangles'. This encouragement gives us the stamina to endure, knowing that at the end of our race – the competition we call life – we will each receive the best prize: the gold medal of eternal life is there for each of us, not only the chosen few or the brightest and best.

In Christ we can each achieve a perfect score.

Friends of Lutheran Archives

Imagine going from a grand mansion in Europe to a humble cottage in Australia. This is part of the story of the Tepper family - from 1396 (that's a mighty long time ago) to life in Australia. Teppers have had significant connections in OZ in sport, music, botany & the Lutherans Church.

Ev Leske, a Tepper descendant, will give a brief overview of the Tepper story at The FoLA meeting on **Monday 22nd August**, Bethlehem House, cnr. Flinders St & Sudholz Pl, **7.30 pm**.

Gold coin donation & supper. Maybe you are one of the many descendants? Come along & find out.

It's on TODAY and ADULTS we really need you ! Kids Ministry meeting at GGLC

There's a Sunday school teaching program called "Bible Song" that GGLC is wanting to implement for children on Sunday mornings.

The kids can't do it on their own, they need interested, caring, nurturing adults to guide them.

That's why we want to encourage as many adults as possible to stay **this morning after church** to hear about the "Bible Song" teaching program from guest speaker Janet Huxtable from Zion Lutheran Church at Glynde.

This program has been used and implemented successfully at Glynde and Janet has been invited to speak to us about how to implement the program, including editing and tailoring it to our children at Golden Grove. She will also guide us how to set up and gather resources.

Let's show our support and value of children and their parents by at least hearing what's involved and considering if there's a part you may be able to offer to help this ministry and young ones .

Asaroka Container Appeal UPDATE

Thanks to all who have donated in the last week. The official appeal total is now \$4790 as of Thursday 11th. This is getting very close to the goal of covering the Shipping Cost of \$5628.57. A sincere thanks to all for getting behind this and getting the total up in the right direction. I am still hoping to cover the shipping total, **so not too late to donate**. I am hoping to wrap the appeal up by this Sunday night – but will never say no to late donations!

We have also had a couple of great offers of support from 2 businesses towards Power & Hand Tools which as stated previously is an important area to support for both the Technical Studies and also the Building Programme the School is working on. This will now allow us to be able to make a great contribution here to the school with a minimum outlay from the Asaroka Account funds. Some Sporting Gear & Equipment can now be sourced as well. If more money comes in, a second-hand Apple MAC Laptop may be back on the agenda. I hope so!

Donations can be made Sunday by placing in an Envelope into the offering plate marked "Container Appeal", or handed to either myself, Pastor Greg or Judith, or directly deposited into the Asaroka Bank Account at the LLL with the following details: BSB – 704942, Account – 129176. You may have to add S1 at the end of the account number.

Also if anyone still has goods they have discussed with me that have not yet been dropped off, can that please be done by this weekend. If valuable, it can be given directly to me.

Thanks, Daniel Dutschke

Container Loading Update

The load date for the container has been set for **Saturday 27th August, starting at 8.30am** till finished. If you are able to join us even for a while, there will be various tasks to do including: Moving Goods into position and sorting into groups, Labelling, final sorting and packing, some cleaning and the final loading. Please bring morning tea and lunch to share. It is intended to be a fun community event. I will be advising the Soccer Club that we will need more parking on the day also near the container. On the **Sunday 28th** after the morning service, we will be conducting a '**Blessing of the Container**' before it is picked up.

Next month ALWS is pleased to be hosting a visit to Australia by Maria Immonen, Director of Lutheran World Federation's (LWF) Department for World Service (DWS).

Maria heads up the world's fifth largest partner to the United Nations High Commissioner for Refugees (UNHCR), and is the key implementing partner for Australian Lutheran World Service.

Those who live in South Australia are blessed to have an open invitation to two opportunities to hear from Maria:
