Signs of the ends of times...

Well, what a week it has been in international politics – and many ‘forecast’ the President-elect of Donald Trump will be the start of World War III. World leaders in many countries have also shared their concerns at what this new political influence will bring for the USA and their wider influence on the global situation.

On November 11 we remembered “The Great War”, “The War to End all Wars” – 98 years since the end of World War I. And yet we still live in a fallen world – a world where greed, hatred and destruction seem to be daily headlines, sometimes questioning if God is really in charge, then why are these things occurring?

Throughout the ages, people have wanted ‘a sign’. Even while Jesus was still alive, his disciples questioned him about such things. Jesus’ response to them was the same as his advice to us: “Don’t let anyone mislead you, for many will come in my name, claiming, ‘I am the Messiah,’ and saying, ‘The time has come!’ But don’t believe them. And when you hear of wars and insurrections, don’t panic. Yes, these things must take place first, but the end won’t follow immediately.”

However Jesus also tells us what to do while we wait – to stand firm amid adversity; to use the opportunity to tell others about Jesus’ saving love, as He will give us the right words to say; and through this we have Jesus assurance of being part of ‘the new heaven and the new earth’.

So do not be concerned or afraid of the future – God has it all in hand.

Main things to do would be:
General 'Spring Clean' both inside and outside.
Gardening/Pruning where needed.
Some paving adjustments needed.
Some wall & trim painting.
Cupboard clean out and tidy up.

Will have a list of jobs on the day. Please bring some gardening, window cleaning, general cleaning, painting gear. If can't come for the whole time, even an hour or so would help. There will be morning tea provided. Come and enjoy the fellowship while working.
