## SHARE THE GLORY OF EASTER

### Before worship

The longing for healing.

What brokenness we have again witnessed in our world this past week!

As never before, the media brings events around the world immediately to our attention.

So we are being confronted daily with the brokenness of life on this planet. I know some people who have switched off the news.... just don't want to see it any more.

In today's gospel reading from John 15, Jesus speaks of our abiding' in him. Being 'at home' with Jesus, living in a healthy relationship with Jesus, enables us to live in renewed and healthy relationships with one another. Oh yes there is still brokenness about, but in the climate of forgiveness healing is possible amidst the hurts of broken connections.

In many ways, forgiveness is the key to the healing of brokenness. As we experience living in the warmth of a healthy relationship with Jesus, we are empowered to live in the climate of forgiveness with one another.

And that means we become 'fruit bearing' disciples.

**Dennis Obst**

### **Family Friendly Worship**

At Golden Grove, we love **everybody** to be involved in worship.

Please encourage children and visitors to join in the singing and prayers, and to stand and sit at appropriate times when they are able. This is best done by leading by example!

**For our 'little ones'** - Quiet bags & busy books are available for worship time from the children's area inside the church.

The "Kids at Heart" team run a special time for children in the foyer area during the sermon. That way, the children have some time with their parents during the morning services, and also a little bit of time to learn about our God and what He means to us through artistic activities with their friends. All children are welcome to join in this time. It is not appropriate for unattended children to play in the foyer at any time during the service. Please ask an usher if you require assistance, or speak to a "Ministry Leader" if you would like to help young families during worship times.

**Thank you for worshipping with us!**

### From the Call Committee

The call committee met on Wednesday 1st April for a preliminary meeting towards working through the process of calling a Pastor for our congregation.

One of the first things we need to do as we go through this process is be clear about the values that underpin what we do in the Golden Grove Lutheran Church. These values are copied below and **the committee is inviting all members to provide feedback that relates to the key values of GGLC:**

- Our School
- Our Youth
- Outreach
- Worship
- Fellowship

**Please contact any member of the Call Committee if you wish to discuss any of these key values of our congregation. As a committee we intend to strip these key values back to ensure the process we follow is authentic and represents exactly what is needed here at GGLC.**

**A Call Committee meeting with Bishop Altus has been scheduled for May 14. Following this meeting, all congregational members will be invited to attend a Call Meeting that is yet to be scheduled. Please stay tuned for more information soon.**

With thanks,

*Darren Stevenson, Jacquie Schutz, Nicole Fielke, Ivan Schmock-er, Tanya Wilson and Daryl Trigg (Call Committee)*

### Security codes to GGLC buildings to be erased

Advance notice is given to all current key holders for GGLC & GGLPS buildings that all security codes for access will be erased following the AGM in May.

This is a stepped process towards implementing an after-hours/work alone policy.

Current code holders or anyone wanting an alarm code will need to speak with either Graeme Hoklas or Judith Whaites to have new codes reissued and to be made aware of the policy for on-site access during both day and after business hours.

## Men@Para Vista

Come to breakfast and hear about...

### The world's oldest surviving Clipper Ship

The "City of Adelaide", the world's oldest surviving Clipper ship and considered to be one of the 10 great ships of the world, has returned home after 125 years. It was built for the purpose of migrant transport to South Australia. It is estimated that 250,000 modern Australians had a relative who travelled aboard her.

Hear **Peter Christopher**, Preservation Director, tell of the Perseverance, ingenuity and engineering excellence required of many South Australians to get this ship back home. This unique talk should not be missed as part of History Month in Adelaide.

## Women & girls retreat Friday 19<sup>th</sup> to Sunday 21<sup>st</sup> June

Nunyara is set in spacious grounds, with sweeping views of Adelaide and the sea beyond. Nunyara Conference Centre is situated in Belair and provides well equipped facilities with affordable accommodation. The cost to stay from supper Friday 19th June, 2015 to afternoon tea Sunday 21st June, 2015 is around \$120.00 per person per stay. You can hire linen or bring your own bedding, pillowslip and towel. Nunyara provides pillows and extra blankets.

The above tariffs include accommodation, breakfasts, lunches, dinners (mains and dessert), morning and afternoon teas and suppers.

Nunyara's cook is very experienced in choosing menus to suit the needs of the group and will do so unless we have special requests. Nunyara caters for diabetics, vegetarians and people with other food allergies. If you require some input into the catering then they are happy for you to discuss that with them.

This is a time for all women from GGLC and GGLPS and their family/friends to come and enjoy a wonderful time together and to take time out from all the busyness and demands that life throws at us.

We would like to encourage every woman (16 upwards) to come along to this fabulous retreat whereby we can just enjoy each other's company, have a great time, a good laugh and a well needed recharge of our batteries ready to come back refreshed, relaxed, invigorated and with the joy of having made new friends.

We had a ball last year!

Please see either Sue Fielke 0422126756 or Elnora Schmocker 0411244159 if you are interested in attending and if you require more details.
