WELCOME to worship today!

May we all be encouraged and strengthened in our faith, through the Word of God.

Tea & coffee is available in the Fellowship Centre following morning service. Please feel welcome to join one another.

Before Worship

One of this week's readings is from James 5:13-20. I was uplifted and inspired when I read this reading as I found it to be both relevant and meaningful. The key words of suffering, hardships, being happy, and singing praises definitely stood out to me as I could straight away link it with a past situation where I felt those things.

What things come to mind with those key words for you?

I love the fact that we are then told to pray. Pray not just when you are suffering hardships but also when you are happy. I encourage and challenge you to open up to God and really be honest with Him with what is happening in your life. Even phoning a friend and letting them know also so they can pray for you too (I find that helps too). We are not alone in this life and God has put people in your life to help us through. So keep the faith and be still and know that God is for you and He has a great plan for your life you just need to trust Him and keep holding on.

May God continue to let His light shine through you!
