Mangoes for Sale

This year GGLC have once again been offered the opportunity of selling boxes of delicious mangoes direct from a grower in the Northern Territory. Boxes sell for **\$35** or ½ box for \$18 and we would like to start taking pre-orders for mangoes in anticipation of their arrival.

Please contact Judith in the Admin office if you would like to make a pre-order. We only receive 30 boxes so it's a good idea to get a pre-order in sooner rather than later. Please feel welcome to let family or friends know of this opportunity and if they would like to participate.

Money raised will go to our mission and partnership with Asaroka, PNG.

Devotion

Sometimes we think patience is suffering without complaint. When I first read the book of Job I was totally confused because here was a man complaining constantly - and who wouldn't in the circumstances. So what is the 'patience of Job' really about?

The patience Job is commended for is not with his circumstances, it is his enduring faith in God, in as much as he chose to trust God rather than condemn Him as unjust. Job's faith is amazing. He knew his own understanding was limited and was desperate for an explanation - the universal "why" question about pain and suffering, but he did not 'curse God and die', as his wife suggested he should. He earnestly desired to meet with God, not fearing the wrath of God for he had strong confidence in God's justice. He was persistent in believing that God was the source of his help and understanding. And in God's timing Job received more than he hoped for.

The writer of Hebrews tells us we too can approach God's throne of grace with confidence through Jesus and we will receive mercy and grace to help us in our time of need. Jesus teaches us in the book of Mark that the trust of a child is what counts. Let's come then in quiet childlike faith . . .

Thank You Lord for the Book of Job and the raw emotion and faith it contains. Give us that confidence in You through all the troubles of life that we may honestly, patiently and faithfully bring our complaints and lack of understanding right to Your throne room and be given the humility to let You be God, for You will indeed provide through Your loving kindness all the grace and mercy we need, through our Redeemer, Jesus Christ, Amen.

Manse Working Bees

There is much to be done at the manse in preparation for Pastor Greg & Connie Fowler to move in soon. We are already getting to the pointy end of the year when time disappears quickly before the Christmas season. We are preparing submissions for what needs to be done inside, which will be a huge amount – it is very tired and needs a massive revamp. A lot of this will need to be done by tradies to get it done and because of the scope of work. Outside there is much to do that we can do and we need to get started on it. While the first date falls the same weekend of the Fishing Club Camp, there will be many that are not going to that, and if some of those can help, that would be great. Basically as a start point, the following is what I want to do to kick this off:

Manse Address: 8 Laredo Court, Wynn Vale

Sat 17th October from 8.30 AM (Outside Only) Please bring some food to share.

Clean up and remove any hard rubbish from inside and outside the house. This will include the old tank & stand.

Weed Gardens.

Remove all old landscaping mulch.

Prune and Cut Back all trees and shrubs where needed. Bring equipment for tasks.

Clear vegetation from the back fence to allow contractor access for replacement.

Clean all gutters.

Sunday 18th from 1.00 PM (Outside Only)

Load and take all Green Waste to the TTG Green Waste drop off We will need someone from the TTG Council area in the vehicles to show proof of council residency. (Trailers & Wheelbarrows needed).

Pressure Clean railings etc in preparation for painting.

Start Pressure Cleaning all concrete & paved areas. (Pressure Cleaner Patio Cleaner Heads needed.)

Prepare/patch any timber for painting.

Sat 24th October from 8.30 AM (Outside Only) Please bring some food to share.

Finish any Pressure Cleaning.

Paint railings and some exterior timber.

Replace redgum treads in steps around the path.

Lift, level and re-lay part of the front path.

Re-mulch gardens with fresh mulch. Will get this delivered.

Once this is done, then we can re-evaluate where we are at and plan any further work needed.

Please get behind this and join in on the fun and fellowship that these events create. Remember many hands make light work! Thanks.

Any questions, please contact Daniel Dutschke Mobile – 0437896892

Manse Working Bee Car Parking

With the Manse Working Bee's, can we please ask if you park along the street either side to ensure that your car wheels don't go onto the peoples lawned median strips as they all have sprinklers along the kerb and unfortunately some were damaged previously during working bees. Also the next house on the left has Stretched Limos, can we ensure that cars are well clear of his driveway and not parked opposite as they need a fair turning circle to exit. If you like, you can also park at the Church and walk as it is only a very short distance. Please keep in front of the Manse clear for trailers.

Thanks, Daniel Dutschke
