### Before Worship ....

#### Genesis 27:

**"The story of Jacob deceiving his father Isaac so that he could receive a blessing which was intended for his brother Esau"**

Lots of times I have acted without thinking about the "what ifs" of my actions.

Then when things go wrong I say to myself "I just didn't think" or "maybe the devil made me do it". I may have falsely believed that's what God wanted me to do.

What about Jacob deceiving his father by pretending to be Esau and receiving God's promise from Isaac?

Yes his mother Rebekah's selfish influence motivated him but they had both sinned and undeservedly received reward. There is no doubt in my mind that Jacob's next twenty years plus were full of hard times, sacrifice and disappointment. Perhaps it was part of God's overall promise to Abraham to build a nation of people. Listen to Pastor Leon's message today and make up your own mind.

I keep coming back to the passage in the Bible which says "If we claim to be without sin, we deceive ourselves and the truth is not in us" (1 John 1: vs 8)

Thoughtless, selfish actions are Satan's playground and I must always be on guard against those impulsive self fulfilling moments that pop up. What about you?

**Prayer:** Dear Heavenly Father please keep me safe from sin. Show me the way so that I may not deceive myself through thoughtless actions. In Jesus name Amen.

### Family Friendly Worship

At Golden Grove, we love **everybody** to be involved in worship.

Please encourage children and visitors to join in the singing and prayers, and to stand and sit at appropriate times when they are able. This is best done by leading by example!

For our 'little ones' - Quiet bags & busy books are available for worship time from the children's area inside the church.

The "Kids at Heart" team run a **QUIET** craft table during the sermon. That way, the children have some time with their parents during the morning services, and also a little bit of time to be creative, to wriggle around and to learn about our God and what He means to us through artistic activities, with their friends. All children are welcome to join in this time. It is not appropriate for unattended children to play in the foyer at any time during the service. Please ask an usher if you require assistance, or speak to a "Ministry Leader" if you would like to help young families during worship times.

**Thank you for worshipping with us!**

# Pastor's Column

Often in the midst of disasters we hear the question: Where was God in all this? We heard that on 9/11, the Bali bombing, the Japan tsunami.

In the first reading this morning (from **Genesis 27**) we'll hear about Jacob cheating his brother. You can imagine Isaac and Esau in particular asking this question. "Where is God? Why did he let it happen? Why didn't he just step in and stop it. It's such a travesty."

Where is God? He is there in the midst of it all. There walking with each one of them.

This story highlights how real the book of Genesis and the Bible is. It gives an uplifting presentation of God and his grace. But it also brings us down to earth by presenting human nature.... and in dealing with it an even deeper presentation of His grace.

God is **walking with each one of us**, in whatever we are going through.

God is in the mess that is human nature. He was there walking with Rebekah, Isaac, Esau and Jacob and he is walking with us now. That's I what we'll be considering in this morning address.

**A special welcome** to Cynthia and Margot, the Christian Pastoral Support Workers (for Wynn Vale Primary and Banksia Park Primary, respectively) which we support. Cynthia and Margot will be involved in the service (presenting the readings and the children's address) because it is National Schools Sunday.

Also a **special welcome** to the family and friends of Senior Class Arnold who will be giving part of the presentation they delivered at our Friday worship. It's on the theme of the address this morning- the story of Jacob and Esau.

I shall be taking my **annual leave** from 15<sup>th</sup> September to 12<sup>th</sup> October. (So this is the last time I shall be leading worship till 13<sup>th</sup> October).

For pastoral emergencies see one of our pastoral carers, your fellowship group or one of our neighbouring pastors.

Thanks to Graham Pfeffer, Pastor Peter Hartwich, Matt Bishop and Pastor Len for leading the morning worship in my absence.

At **Salt Factory** tonight Dylan will be speaking about another "man in the Bible".

Last week I made mention of the "**The Gathering**" (on the 31<sup>st</sup> August). It was a wonderful event with about 20 in attendance. The main discussions were about the need for a children's ministry coordinator and the opportunity that our worship rosters give.

Come along to **The Quilt and Craft Exhibition** next Saturday and Sunday.

**Next Sunday**, ALC student Graham Pfeffer will be leading the service and presenting the message.

Date Claimer: **Longest Lutheran Lunch**: 27<sup>th</sup> October. More information in the next few weeks. For more details see Ken Campbell.

## Youth News!

*Ephesians 5:8 - "For you were once darkness, but now you are light in the Lord. Live as children of light".*

**Friday, September 13** from **7pm until 9:30pm** is our next Awakening! The term has certainly flown by, and yes, it's Sports Day, but we're gonna give you something fun to do to recover! In our **Friday the 13<sup>th</sup>** event, you'll need to turn detective in order to break the code hidden around the school and church. Armed with small snapshots of various places, you need to figure out where they are, and find the hidden code! We'll also be having our next session Youth Alpha about the Bible. Fun times! Come along, you'll love it and God all the more. \$4 entry, \$1 cans ☺

We had a quieter event last Friday, but it certainly was fun. With nine youth attending, there was still plenty of noise and craziness as we split into two teams. After each team built a blanket fort, they played with marshmallows, straws, Lego and everything in between to see which group had a future in the building industry. Some great constructions were made! We then talked about faith and prayer, two sessions of our Youth Alpha program! ☺
