E100 Bible reading challenge

NEW TESTAMENT

Week 11— **The Living Word**

Overview

In this week's readings we have explored the life of Jesus from eternity past to his birth and early life here on earth. The readings have provided us with a glimpse of his glory and yet also depicted something of his humanity as he is confronted by temptation. John and Luke have described how people responded to Jesus, some with rejection and others with wholehearted acceptance.

Family Friendly Worship

At Golden Grove, we love everybody to be involved in worship.

Please encourage children and visitors to join in the singing and prayers, and to stand and sit at appropriate times when they are able. This is best done by leading by example!

For our 'little ones' - Quiet bags & busy books are available for worship time from the children's area inside the church.

The "Kids at Heart" team run a **QUIET** craft table during the sermon. That way, the children have some time with their parents during the morning services, and also a little bit of time to be creative, to wriggle around and to learn about our God and what He means to us through artistic activities, with their friends. All children are welcome to join in this time. It is not appropriate for unattended children to play in the foyer at any time during the service. Please ask an usher if you require assistance, or speak to a "Ministry Leader" if you would like to help young families during worship times.

Thank you for worshipping with us!

Pastor's Column

Thank you to Matthew Bishop for leading the service today.

Today's message is based on the Gospel reading for today Mark 6:14-29.

I still have a few days of TOIL this week (days owing that I have accrued over the last year or so) and will return to the office on Thursday 19th July.

(This week is the commencement of the New Testament section of the E 100 Challenge but the guest preacher/speaker may not necessarily be basing his address of the E100 Challenge readings).

Pastor Leon

What is the E 100 Challenge?

Visit to Golden Grove of 6 nurses from Goroka Hospital, PNG

From 28th-30th July six nurses from Goroka in the Eastern Highlands Province of PNG will be in Adelaide to attend the LCA Parish Nurse Seminar at St Paul's, Blair Athol on 28th July followed by "An introductory course for Parish/Pastoral Care Nurses and other pastoral carers" to be held at GGLF on 29th & 30th July.

Three of the ladies visited with us in 2008 and three have not been here before.

We are therefore looking for willing people who would like to welcome and host one of these ladies in your home for a few nights or possibly up to a week. At this stage we do not yet know of their arrival and departure dates. Even if you can offer a couple of nights accommodation that would be great. Please see either Judith Whaites or Daniel Dutschke **ASAP** if you can assist with billeting.

We will keep you updated as we receive information but it will be exciting to welcome and spend some time with our friends in Christ reciprocating with love and hospitality.

Any interested members of GGLF are also invited to attend either/or the above seminar and course. Registration for the course here at GGLF is \$50 to cover administration costs, tuition, a course manual, lunch and refreshments each day. A brochure and registration form is available from our church foyer.

Registration for the LCA Parish Nurse Seminar at Blair Athol is **\$25** and requires a separate registration form.

Registration brochures or enquiries from Lynette Wiebusch, LCA Parish Nursing Coordinator: ☎ 8336.3936; lynette.wiebusch@lca.org.au

Monday 23 July, 6:30pm – 7:30pm, Endeavour Centre

Hear from a leading Australian expert in drug and alcohol education who speaks to our students regularly:

Discover why students listen to Paul Dillon when he talks about alcohol and drugs

- Telling the facts straight
- Creating simple and positive strategies of knowing what to do
- How to keep themselves and their friends safe

As parents and caregivers hear how to support this information within the home

- When is the right time to start talking to children about drugs
- Understanding the issues kids are facing
- How to talk to your children in a way that is respectful and reasonable, non-threatening and non-judgmental
- How to tell them what they really want and need to know

This workshop reflects a commitment by Endeavour College to work together with families to educate students on alcohol and drug related issues. It is open to all parents and caregivers, including LENS Schools. Light refreshments will be served.
