TWO MINUTES

Luke 24:13-35

While we were in Austria in 1979 we were invited to the home of a farmer. This house had already been occupied for three generations by loving followers of Jesus. What a blessed home.

Above the entrance door we were alerted to a sign "Emmaus—stay with us the day is almost over".

As we sat down to eat we knew that the risen Lord was there with us, just as He was with His two followers at Emmaus. Our eyes too were opened as we recognized Him there in the scriptures.

How important it is to invite Jesus into our homes to be with us and what this means for our children and our children's children.

Jesus wants us to share this message with others and not keep it for ourselves.

Our Lord is alive. He is risen indeed.

Family Friendly Worship

At Golden Grove, we love **everybody** to be involved in worship.

Please encourage children and visitors to join in the singing and prayers, and to stand and sit at appropriate times when they are able. This is best done by leading by example!

For our 'little ones' - Quiet bags & busy books are available for worship time from the children's area inside the church.

The "Kids at Heart" team run a **QUIET** craft table during the sermon. That way, the children have some time with their parents during the morning services, and also a little bit of time to be creative, to wriggle around and to learn about our God and what He means to us through artistic activities, with their friends. All children are welcome to join in this time. It is not appropriate for unattended children to play in the foyer at any time during the service. Please ask an usher if you require assistance, or speak to a "Ministry Leader" if you would like to help young families during worship times.

Thank you for worshipping with us!

Pastor's Column

A Happy Mother's Day to you! Welcome to our mother's day worship. We have a lot for which to thank God in respect to mothers and today is a wonderful opportunity to do just that.

You may notice photos and drawings of mothers in the powerpoint today. These photos were sent in last week as requested last Sunday (or from 4 years ago- when we did the same thing) and the drawing came from the Quiet Craft Table last Sunday and from our school children (from my request of them).

The theme for this morning's address is "**How do you recognize Jesus**", using the thought of how would you recognize your mother if you didn't expect her to be present. The address is based on the Gospel reading for today (in particular Luke 24:16), when two disciples on that first Easter evening walking down to the town of Emmaus didn't recognize Jesus until he did something most significant to them. It asks the question of us: How do you recognize Jesus in our day to day life?

I would like to strongly promote the **DISTRICT CONFERENCE** on the 28, 29/5/11 today. It features Steve Taylor's presentation "Mission shaped ministry- equipping for the future"; a presentation of our president: The "State of the Church"; Pastor Rich Melheims' "The Fifth Church- reengineering the institutional church for the postmodern world" as well as choice of 23 electives! Enrolments for the Conference close Monday week (16/5/11). We have information and enrolment forms in the church foyer or you can enroll on line (just go to the LCA SA district home page).

Would you like to be part of our **40 days of Community team**? We are now forming that team. It's now that you need to let the Nurture Team know that you want to support this- our major thrust for the year.

Remember the **Ministry of Care** meetings are for anyone who would like to come. We meet again this week.
