23rd October 2011— 19th Sunday after Pentecost

WELCOME to all worshipping with us today.

Greetings to any visitors here with us. We are pleased to have you join us and we trust you have felt welcomed and pray the Holy Spirit may enlighten and empower us with the message shared with us today.

Tea & coffee is available in the Fellowship Centre following morning service and at 5.45 pm a light tea is available prior to the 6.30 pm evening service. Please feel welcome to join us.

TWO MINUTES

Matt 22: 37-39

Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbour as yourself."

So the summary of this verse is Love. Once you see in your mind what this looks like, throw in a dash more love and an extra splash of love. Then when you have finished showing love, show more love.

I think these words of Jesus start to unravel for some people because they simply don't first love themselves. Let me help you with this from the top.

1. God has created you perfectly. You are not a mistake. That horrible laugh you have, that brings joy to God. Those mistakes you have made, they have been wiped from God's memory. You are his precious child and he just wants to embrace you.
2. God lives within you. God and his love are at your centre like an onion covered in many layers. He wants you to peel back the layers of who we have become and the hurt we have experienced, so that his love can shine through. The more we look and act like God, the more we show of him.

It is when we seek the face of God and sit in his presence, we truly understand the meaning of love.

When we first love God, he teaches us to love ourselves. Once we love ourselves and God, we have abundant love to give to others.

And remember, God thinks you're worth dying for.

Family Friendly Worship

At Golden Grove, we love everybody to be involved in worship.

Please encourage children and visitors to join in the singing and prayers, and to stand and sit at appropriate times when they are able. This is best done by leading by example!

For our 'little ones' - Quiet bags & busy books are available for worship time from the children's area inside the church.

The "Kids at Heart" team run a **QUIET** craft table during the sermon. That way, the children have some time with their parents during the morning services, and also a little bit of time to be creative, to wriggle around and to learn about our God and what He means to us through artistic activities, with their friends. All children are welcome to join in this time. It is not appropriate for unattended children to play in the foyer at any time during the service. Please ask an usher if you require assistance, or speak to a "Ministry Leader" if you would like to help young families during worship times.

Thank you for worshipping with us!

Pastor's Column

We join with Malcolm & Claire & Jasmin Rathjen for **Abbey Paige's baptism** this morning, along with Damon Crawford and Kerry Waiblinger (Abbey's godparents) and all the family and friends who have come for this the most important event in Abbey's life.

Congratulations to Abbey on what God is doing for you today: making you a member of his family, promising to care for you throughout your life and indeed giving you eternal life and all the other benefits and privileges of being God's own child.

A number of our congregation is away this morning at our annual congregational (GGAF Camp). I expect a number of you will be reading this in the evening at our **Salt Factory worship**. This evening Paul Napier is speaking on the topic of doubt in respect to healing. It sounds interesting doesn't it? Remember Paul and his team are prepared to pray for you for healing. The Lord has already moved in many peoples lives already. **Why don't you come along this evening with the intention of coming forward for prayer?**

Next Sunday is the **Longest Lutheran Lunch**. Please book in as soon as possible with Judith (8282 6050) or Elaine (phone 8282 6000). You can see (elsewhere in this Bulletin) that for your \$10 (under 15, \$5) you are getting a most sumptuous lunch. But the Longest Lutheran Lunch also promises to be an afternoon of fun and fellowship- a great way of joining with Lutheran churches all around Australia and New Zealand, celebrating Reformation Day in a way that you may have never celebrated it before.

Our worship in the morning will consider **what does it mean to be Lutheran?**

We are planning a couple of special meetings for a fortnight's time (**6th November**)

In the morning the *Energise 4 Life Team* are holding a meeting at 11am for fellowship group leaders/ reps and Pastoral Carers to talk about **care in and through our fellowship groups**. I am sure this could be a most informative and encouraging meeting which will guide us in our care at GGLF.

In the evening – as part of Salt Factory we will be having a discussion on **Where are we going with Salt Factory in 2012?**

Please plan to be there and to contribute to both discussions.

ALWS 2011 - Africa Famine Crisis

IMPORTANT: Urgent Prayer Points from ALWS for Africa

Challenge

As you know, our Lutheran teams (Lutheran World Federation - LWF) are heavily involved in the life-saving work at Dadaab Refugee Camp in Kenya. The Camp is the largest in the world, and home to more than 500,000 people fleeing the famine in Somalia.

In the last week, two aid workers from Medecins Sans Frontieres (MSF) were kidnapped from inside the camp, and have not been seen since. This follows the hijacking of a CARE vehicle a few weeks earlier. While no demands have yet been made, there is no sign of the missing persons. We pray for their safety. Kenyan armed forces have increased activity around the Somali border, aiming to enhance security, but the region is high risk.

As a result, all visits to Dadaab have been suspended, and no expatriate aid workers are able to go there. LWF and other agencies are maintaining as much life-saving work as possible - food, water, limited medical. Our work in schools, and surveying tent sites, may need to close for the time being as they are high risk activities. LWF is working with all involved agencies on adapting plans given the insecurity challenge.

ALWS will be guided by our Lutheran teams in Kenya. Meanwhile our support continues to Dadaab through LWF, along with Ethiopia, Somalia and the Turkana region of Kenya through our **actalliance** partners.

Please pray for:

- the missing aid workers
- that security can be restored so full life-saving work can resume
- wisdom for LWF and other agencies responding to the crisis
- safety for our Lutheran teams still working in Dadaab the refugee families who have suffered so much

Good News

As of 18 October, the response from across the Lutheran church and our schools, friends and families to help people hurt by the famine in Africa is now: **\$982,743**.

Of this, \$88,027 is available to be matched dollar-for-dollar by the Australian Government, thus taking us well over the million dollar mark in aid given! (The Grant is available for all donations from individuals until 30 November.)

ALWS gives thanks to God that so many people are so generous to our brothers and sisters in such desperate need.

This means donations given now for East Africa through ALWS can be DOUBLED -

LUTHERAN
community care

LCC Christmas Hampers

To help families on low income celebrate Christmas, each year Lutheran Community Care give out nearly 1,000

Christmas hampers in the metropolitan and Barossa area. To meet the anticipated demand this year we are asking congregations to begin collecting food, books and toys for disadvantaged families. LCC has provided a list of required foods for the Metropolitan region. The Christmas Hamper food list is displayed in our church foyer.

The books may be small colouring-in books, a reading book for older children, or a cloth book for a young child. A book with a Christian theme would be great. We ask that toys be purchased new and could include Lego, balls, musical toys, etc. We prefer them not to be a soft toy.

The Christmas Hamper distribution dates are 5-6 December for Blair Athol so people are encouraged to submit their donations well ahead of this time. Donations can be dropped off at GGLF or at 309 Prospect Road, Blair Athol.
