WELCOME to all worshipping with us today

Greetings to any visitors here with us. We are pleased to have you join us and we trust you have felt welcomed and pray the Holy Spirit may enlighten and empower us with the message shared with us today.

Tea & coffee is available in the Fellowship Centre following morning service and at 5.45 pm a light tea is available prior to the 6.30 pm service. Please feel welcome to join us.

TWO MINUTES

Then God said, "And now we will make human beings; they will be like us and resemble us." Genesis 1:26

Let's for a moment just imagine all the hope, the expectation and the companionship with us that God had in mind as He created us! There would be regular conversations, daily strolls with Him through the garden, love and trust would flow from us to Him as we looked to Him as our God and Father. What a world! So full of living and non living things to be explored, for us to live with and use!

We were in every way the pinnacle of all that had come from His creative hand. It was all about love! His love! As far as the eye could see!

And then it went wrong. We decided that we could manage better without Him. That landed us in hell. No wonder Jesus had tears in His eyes when he looked over the city of Jerusalem and saw their rebellious ways! He wanted them back with Him. There had to be a cross. Nothing Less would give us back the humanity that we were created with.

Family Friendly Worship

At Golden Grove, we love **everybody** to be involved in worship.

Please encourage children and visitors to join in the singing and prayers, and to stand and sit at appropriate times when they are able. This is best done by leading by example!

For our 'little ones' - Quiet bags & busy books are available for worship time from the children's area inside the church.

The "Kids at Heart" team run a **QUIET** craft table during the sermon. That way, the children have some time with their parents during the morning services, and also a little bit of time to be creative, to wriggle around and to learn about our God and what He means to us through artistic activities, with their friends. All children are welcome to join in this time. It is not appropriate for unattended children to play in the foyer at any time during the service. Please ask an usher if you require assistance, or speak to a "Ministry Leader" if you would like to help young families during worship times.

Thank you for worshipping with us!

Pastor's Column

Today we are celebrating **Humanity Sunday** as part of our Season of Creation. We'll be looking at "Our role in creation", based on the text Genesis 1:26-28, 2:15- what does it mean to be made in the image of God. We learn from Jesus what is servant leadership and look at our role with "created nature" and "created humanity".

As I said last week, I believe these Sundays are wonderful opportunities to bring along your friends that don't normally come to our church.

Next Sunday we are praising God with the mountains

How did you enjoy the 'F' Dinner last night. Wasn't it wonderful?

Some of you have received a letter from our school chaplain James Ziersch about **Mainly Music**. Mainly Music is a music outreach program aimed at families with young children. If you want to have a look at their website, check out www.mainlymusic.org.au to see some details.

James says in his letter "I see this venture having a twofold benefit, firstly it can bring new families into contact with our school community, and secondly it can demonstrate how friendly and welcoming members of Golden Grove Lutheran Fellowship are."

James is looking for: cooks who will provide homemade biscuits / cakes / slices, friendly greeters of parents and children as they arrive and register, friendly helpers in the music program, friendly servers, who will approach parents, and serve them hot drinks (and wash up afterwards), friendly listeners /talkers who will help the parents feel welcome to relax while others look after their child, friendly craft helpers, who will enjoy playing with the children, while their parent chats and relaxes with a hot drink and yummy biscuit / cake, and are able to help pack up after and people who are able to operate a computer and use PowerPoint to help with the Music program.

He goes on : "If you are able to help out with one of these tasks this Tuesday at the demonstration (starting at 9am) or on a regular basis each Wednesday (commencing 13th October) he would like you to contact him on 0435 008 513 or just come along and just watch."

I fully endorse this program. If you didn't receive a letter and the follow up telephone call and are interested in Mainly Music please feel free to come along.

KIDS AT HEART

Mark 10: 14... "Let the little children come to me"

Thanks to those running the activity for the **Kids Quiet Craft** table this week. The children can go to the craft table with or without their parents, after the children's address. (There are usually a few helpers available to guide the pre-schoolers.) The craft activity will last for the duration of Pastor's message. If any children remain at the craft table after this time, they are required to stay quiet, and to help with packing up.

The aim of the craft program is to help the children visualise and interpret God's message in a tactile and fun way, to take their article home and to talk about it with their families, thereby assimilating the message into their hearts and heads. We often find that the busier the hands, the quieter the lips, but if we have large numbers today, we would ask the parents to be reinforcements when required!

On the 2nd and 4th Sundays of the month, we have a special "**Kids at Heart time**" for our little ones in another area. The **Goal is to Share the love of Jesus with songs, stories, games and more!**

May God bless us in our parenting
