15th November 2009—24th Sunday after Pentecost

WELCOME to all worshipping with us today.

Greetings to any visitors here with us. We are pleased to have you join us and we trust you have felt welcomed and pray the Holy Spirit may enlighten and empower us with the messages shared with us today

Tea & coffee is available in the Fellowship Centre following morning service and at 5.45 pm a light tea is available prior to the evening service at 6.30 pm. Please feel welcome to join us.

TWO MINUTES

Have you ever tried to make a prediction? Here are some predictions from the past. All from famous people who were trusted individuals: Thomas Watson who was the chairman of IBM once said, "I think there is a world market for maybe five computers." An inventor named Lee DeForest once said the "While theoretically and technically television may be feasible, commercially and financially it is an impossibility". And finally Bill Gates the founder of Microsoft once said "640K ought to be enough for anybody".

The disciples when hearing Jesus say: "Do you see all these great buildings?" and that "Not one stone here will be left on another; every one will be thrown down.", must have thought that this was next to impossible, as the size of even the smallest stone in the temple weighed between two and three tons each. It's not hard to understand why the four disciples asked Jesus when the temple would be destroyed.

Unlike the predictions of Watson, DeForest, and Gates, Jesus' prediction came true. Around 70 years after Jesus' death, the temple was grounded by the Roman armies and not one stone was left on top of another. So what does the fulfilment of this prophetic word teach us? It teaches us that the foundation of faith is not in a temple made by human hands. It teaches us that the foundation of faith is not in signs and wonders. What it teaches us is that our foundation of faith is the Son, Jesus Christ who is our High Priest, our redeemer, and our God.

Family Friendly Worship

At Golden Grove, we love **everybody** to be involved in worship.

Please encourage children and visitors to join in the singing and prayers, and to stand and sit at appropriate times when they are able. This is best done by leading by example!

For our 'little ones' - Quiet bags & busy books are available for worship time from the children's area inside the church.

The "Kids at Heart" team run a **QUIET** craft table during the sermon. That way, the children have some time with their parents during the morning services, and also a little bit of time to be creative, to wriggle around and to learn about our God and what He means to us through artistic activities, with their friends. All children are welcome to join in this time. It is not appropriate for unattended children to play in the foyer at any time during the service. Please ask an usher if you require assistance, or speak to a "Ministry Leader" if you would like to help young families during worship times.

Thank you for worshipping with us!

Pastor's Column

Welcome to our worship today. This morning the Friends of Asaroka are presenting our **Asaroka service**. This evening Paul will be presenting the message.

Once more I would like to thank all those who took up the "**Day Pay Challenge**". Please see elsewhere in the Bulletin about the (monetary) results of this challenge. Of course a much deeper result is the spiritual growth, the joy, peace and love that comes from such a challenge.

I am taking 9 days of my annual leave in the following days. **Amy** is getting married next Saturday to **Nick Schultz** whom many would have met. He is a regular worshipper at the morning services and member of GGAF.

In two week's time (29/11/09) we are holding our **Remembrance Sunday**. It is an opportunity to remember any loss that we are still grieving. Invite your friends who are grieving over a loss to be ministered to. More information next week.

I need to repeat a few issues that I noted in last week's Bulletin for those who haven't had an opportunity to catch up with the news:

The Vision Team in deliberating on our goal of "*Care Communicate and Connect so people know Christ*", determined it expedient that we improve our communication through the technology at our disposal especially to keep us in touch with non-regular attendees. (We have many efficient means to communicate such as emails, face book, SMS messages, blogs, through our web page as well as the standards: Bulletin, telephone, face to face, but many of us don't seem to know what is going on!) So we are proposing to have (*for lack of a better term*) a "**communications officer**" at GGLF: a volunteer position to improve our communications. That person would not need to be an expert in all the areas listed above but have an understanding of them and be able to coordinate a communication program for GGLF. **Do you feel called to this position? If so see me.**

Please take note of the Fellowship Group Leaders meeting advertised elsewhere in this Bulletin. **Talking about Fellowship Groups**, earlier in the year I indicated that I would like to visit every Fellowship Group in our congregation. I have visited all those who have invited me. *Are there any other groups who I haven't got around to?* Please let me know- in fact please invite me to your next meeting. I just want to be get a feel of each Fellowship Group. A thought from a recent Ministry team meeting: if any groups would like me to lead any studies I would be more than happy to do so.

From the Ministry Team: **The Gathering 2010** :proposed for February or March 2010. Theme: *Zone in to God*: enter into God's zone - his way of thinking, God's zone is safe and yet very dangerous - when we take being a disciple seriously so instead of zoning out tune into what God is saying to you, .We are planning for the tried and true schedule we have used in the past: worship, an input and discussion, morning tea, quiet time, debrief, communion and a BBQ lunch. Please put this in your diary.

Finally **Just a note**: I believe that it is wonderful to have such a well used shared facility here at Golden Grove, especially our fellowship centre and kitchen. (I have pastored many congregations that only use their facilities once or twice a week). However with sharing comes the issue of being considerate. If you make a mess please clean it up. But let's take that a step further ...**if you see a mess please just clean it up.** (*I think we have come across another task that Anna had taken on.*) I know that we are busy and that it is easy to let others do it, but "others" are a little concerned about the mess they find I am also aware that some of us don't know how where to access means of cleaning up, please ask.

Through the generous giving of members of the congregation as an expression of thanks for what the Lord has done for us, **\$8650** has been added to the GGLF budget.

The challenge is being extended to *29 November*, so you still have the opportunity to donate and we encourage everyone to help us meet our target of \$10,000.

SUPPORT FOR SCHOOL CHAPLAINCY

The future of federal funding for **school chaplaincy** is currently being reviewed by the National Government. It is important that our political leaders know how widespread this program is supported. Please notify your MP (via email by going to www.smg.asn.au and clicking on the "WE NEED YOUR SUPPORT!" link), and /or the Prime Minister and Deputy Prime Minister of your support of the current school chaplaincy program and your desire to see it expanded. Copies of further information that you could include in your support letter are available from the Church Foyer or see Judith in the Admin Office.

KIDS AT HEART

Here comes Christmas! We thought it would be nice for the children to make something for keeps for Christmas. From today, Nov 15, the children will be making a nativity scene. They will be making different parts of it every week for 4 weeks in a row. We hope lots of children can participate in this and see it to completion.

We are collecting large shoe /boot boxes for this activity. Please drop them at the office in the next week. Thanks.

Blessings,
Lesley and the [K@H](#) team.

Fellowship Group Leaders Meeting: Sunday 13th December 11am

AIM: For the Vision team to encourage and support the wonderful work that our Fellowship Groups are doing at GGLF. We would like to direct the fellowship, serving and studies that occur in our 22 groups towards our common goal: **Care, Communicate and Connect for people to know Christ.** We feel that to achieve this goal, which was adopted at this year's Annual General Meeting, we need to harness what God is doing in and through our Fellowship Groups. We hope that all group leaders will attend this meeting or delegate a representative to attend on their behalf. *(We believe this is very important so we plan to email this message to every group leader, personally invite them as well and encourage you to pass this information on.)*

CHRISTMAS HAMPER APPEAL FOR LCC

Christmas is around the corner. Lutheran Community Care are collecting **groceries and toys** for the Christmas Hampers. You can help by donating food for hampers, toys for children who would miss out on presents for Christmas and monetary donations to meet the wider needs of those who come to Lutheran Community Care all year round. Donations can be put in the boxes in our Church Foyer. A list of suggested grocery items to donate for the hampers is available from the Church Foyer. Please consider giving Christmas gifts particularly for primary and high school children. Perhaps when buying for your own children or grandchildren, you could buy an identical gift for the LCC Appeal. Please mark gift donations with 'girl' or 'boy' and the age. All items will be needed at Church by the first week in December (6 Dec).

GGLPS warmly invites the members of Golden Grove Lutheran Fellowship to attend their end of year Family Christmas Picnic at the school, after the church service held on Sunday 29th November.

**BYO – Picnic lunch, drinks, chairs, table, (sunshade if a hot day), hat, sunscreen etc.
Hope you can make it.**

Any queries, please contact Daryl Trigg (8282 6000)

Unavailability of Fresh Christmas trees from Birdwood this year

Holy Cross Lutheran Church at Birdwood have regretfully written to advise that their supply of fresh Christmas Trees for the 2009 Season has been severely decimated due to the drought and a rather large plague of rabbits and they are therefore unable to supply any Christmas trees this year.

Letter from PNG

Pastor Rupulga and family recently sent a letter to the congregation expressing their thanks and appreciation for the support to their family through the payment of their children's school fees. He also writes that they miss us all and that we are remembered in their prayers. *Let us keep them in our prayers.*

Aid for Hearing Impaired

As an aid for the hearing impaired, the service is transmitted on 88.3 MHz FM radio.

All requests will be kept confidential.

The prayer chain is available for everyone in both the church and school communities. Likewise if anybody feels they would like to be a part of the prayer chain we'd love you to join us.

Video Ministry

Each service is video taped, with copies available immediately after each service. Please see the library to loan a copy. Even if you can't make it to the service, you can still participate in worship. DVD's can be ordered for a \$5 donation. See the Church Office.

Bibles

Bibles are available at the back of the church so that you can follow the Readings and Bible references in the Sermon.
