**Spiritual Gifts**

*Now about the gifts of the Spirit, brothers and sisters,  
 I do not want you to be uninformed. 1 Cor 12:1*

In the early church the apostles witnessed a powerful outpouring of the Holy Spirit with his accompanying gifts for believers. This was something new. There were times when God’s Spirit anointed a person for a particular task that God required i.e. to be king or a prophet. But seeing ‘ordinary’ people filled with the Spirit and displaying miraculous gifts was a sign of God’s new order. While there was no dispute that these gifts were from God, there was differing opinions about which ones were more valued and beneficial.

It’s into this situation that Paul talks to the Corinthians about Spiritual gifts. We see that Paul understands that these gifts are a natural part of the church Jesus creates. Before he ascended Jesus gave the church the mandate to make disciples; to teach the gospel and to assist all who desire an encounter with the risen Lord. It is completely normal that where Jesus crucified and raised is preached, there will be a movement of the Holy Spirit with the invitation to receive Spiritual gifts.

We believe that God’s provision of Spiritual gifts is just as real today as it was in the first century. And Jesus encourages us to be bold and ask for gifts that will be of service within our community and will be a witness to His authority in the world. May God’s Spirit fill us so that we embrace His gifts.

### Review of the LCA/NZ Constitution - Phase 1 Guiding Principles for a 21st Century LCA/NZ

*A message to all members, bodies and agencies of the Lutheran Church of Australia and New Zealand*

On behalf of our General Synod, the General Church Board is conducting a Review of the LCA/NZ Constitution, as we seek to be faithful to Christ, live the gospel and thrive in this 21st century. The board is pleased to invite you to participate in the Review through telling the reviewers what you think needs to change, or alternatively does not need to change, in the LCA/NZ Constitution.

**The survey will remain open until 30 April 2020.**

Individuals may also complete the survey.

#### Important notes:

1. This Review, and therefore this survey, is only about matters relating directly to the LCA/NZ Constitution. If your responses comment on other issues, the reviewers will be unable to respond to them, but will do their best to refer them on to the relevant persons.
2. Individuals will only be able to complete the survey once. If you are the representative of a district, agency, board, committee or congregation AND you also want to complete the survey separately as an individual, you will need to ask another member of the agency, board or congregation etc to complete the survey on that group's behalf.

**'Constitutional Review Discussion Starter' paper.** This paper intentionally takes an 'arm's length' and critical look at our Church, examining where we may be in relation to the societies in which we minister. The paper also lists a number of key issues for us to consider in this Review and, finally, it lists the substantive questions that you will find when you access the electronic survey. This way you know in advance what the survey questions are. The paper is in part provocative in order to stimulate widespread discussion about this Review.

**Please read and reflect on the 'Discussion Starter' paper before completing the survey.**

To read or download the Discussion Starter paper, and to access the Survey, please visit:

<https://www.lca.org.au/projects-events/constitution-review/>

Once the survey responses have been analysed and aggregated, high-level results will be shared with you in a future communiqué, as well as in the future Review Report.

If you want to also make a separate written submission to this Review you are welcome to do so. Simply email your submission to

**ConstitutionReview@lca.org.au**

## God's Power at Work at Golden Grove

Testimony Series

At Golden Grove we are blessed to have the prayer healing team which has multiple get togethers a month in Adelaide and the Barossa as well as the Healing Service at Salt Factory on the first Sunday of the month. The group has been led to create a testimony series entitled 'God's Power at Work at Golden Grove'.

### Latest Testimony

#### Leanne Schiller

Leanne used to struggle with back pain, to the point where she would be brought to tears, as that is how painful it was.

That was until she discovered the healing power of Christ. When something wasn't quite right she received prayer and by the end of the day the pain was gone.
